REMARKS/ARGUMENTS

The Examiner has objected to claim 1 because in line 10, "providing for" should be indicated as an amendment. Applicants submit herewith a corrected October 11, 2006 Amendment page 2 showing underlining of "providing for" in claim 1.

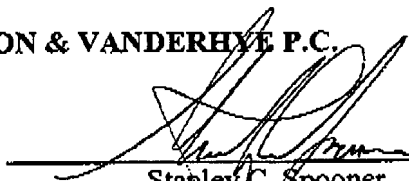

The Examiner fails to reject claim 38 based upon 35 USC §112. However, no amendment is needed as "plurality" has clear and literal antecedent basis in line 6 of claim 38.

Substitution of the corrected page is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
